**Coding Camp powered by DBS Foundation: Road to Future Workforce** is a structured and comprehensive independent study program aimed at cultivating top-tier graduates specifically tailored for technology companies and startups. In 2026, out of 70,000 applicants, 2800 students from 364 universities across Indonesia were selected to join the program. Throughout the learning journey, participants developed essential technical, financial, English, and soft skills to support their readiness for the workforce.

This letter serves as an official statement of the participant's learning progress and outcomes throughout the program.

Sincerely,

*Gilang Ramadhan*
